

# Daftar Peserta Tes PT. Cemindo Gemilang

Kamis, 17 Desember 2015

Lokasi Tes: R. 301 JPAC POLBAN, Gd. P2T Lt. 3, Jl. Gegerkalong Hilir, Ciwaruga - Bandung

| NO. | Nama                           | Jenjang Pendidikan | Jurusan                                  |
|-----|--------------------------------|--------------------|------------------------------------------|
| 1   | Made Aris Duwi Sulistyo        | D3                 | Mechanical Engineering Department        |
| 2   | Firman                         | S1                 | Electrical Engineering                   |
| 3   | Arya Febriyanto                | S1                 | Chemical Engineer                        |
| 4   | Hidayat Ambo                   | S1                 | Electrical Engineering                   |
| 5   | Bayu Ardianto                  | S1                 | Mechanical Engineering                   |
| 6   | Wisal Al Hasa                  | D3                 | Teknik Mesin                             |
| 7   | Nizar Alfian                   | S1                 | Energy Conversion Engineering            |
| 8   | Adin Mochammad Ramadhan        | D4                 | Electrical Engineering                   |
| 9   | Fendi Saefullah Ardiansyah     | D3                 | Teknik Kimia                             |
| 10  | Hasan Mutawakil Atou Rahman    | D3                 | Chemical Engineer                        |
| 11  | Sigit Wursito Hutomo           | D3                 | Teknik Kimia                             |
| 12  | Agis Arif Pujiyono             | D3                 | Teknik Listrik                           |
| 13  | Muhammad Khaerul Umam          | S1                 | Electronics Engineering                  |
| 14  | Oki Maulana                    | D3                 | Analisis Kimia                           |
| 15  | Azmi Rama Wijaya               | S1                 | Mechanical Engineering                   |
| 16  | Abednego Adhie Wahyu Wicaksana | D3                 | Teknik Mesin Kosentrasi Maintenance      |
| 17  | Rangga Anggara                 | S1                 | Electrical Power Engineering             |
| 18  | Rensinna Ilmiwar Chair         | S1                 | MECHANICAL ENGINEERING                   |
| 19  | M Ziyad Taqiyuddin             | D3                 | Teknik Kimia                             |
| 20  | Ardani Putra Yudha             | D3                 | Teknik Elektro                           |
| 21  | Kusnadi                        | D3                 | Chemical Engineering                     |
| 22  | Fazriatu Aulia                 | D4                 | Powerplantt Technology                   |
| 23  | Setyo Herlambang               | D3                 | Teknik Elektronika                       |
| 24  | JOKO TRI PRAKOSO               | D3                 | Teknik Kimia                             |
| 25  | Hamdhi Pratama                 | S1                 | Teknik Elektro                           |
| 26  | IDO GABE HASUDUNGAN TAMBUNAN   | D4                 | <b>Industrial Automation Engineering</b> |
| 27  | Andi Kurniawan                 | S1                 | Teknik Kimia                             |
| 28  | RUNA JANUAR                    | D3                 | TEKNIK KONVERSI ENERGI                   |
| 29  | Alif Gigah Priyatna            | D3                 | Teknik Elektro Industri                  |
| 30  | Kamal Ibrohim Hasan            | D3                 | Teknik Elektronika                       |
| 31  | Bagus Surya Mahardika          | D3                 | Teknik Elektro                           |
| 32  | Rijalul Fikri                  | D3                 | Chamingineerig                           |
| 33  | Maskhur Zulkarnain             | S1                 | Electronics Engineering                  |
| 34  | Bryan Pashian Manalu           | S1                 | Energy Conversion Engineering            |
| 35  | Imam Munandar                  | S1                 | Mechanical Engineering                   |
| 36  | Sandi Nuraga                   | D3                 | Teknik Mesin                             |
| 37  | Aditya Rahmat Hidayatullah     | S1                 | Electronics Engineering                  |
| 38  | Meri Andriansyah               | D3                 | Chemical Engineering                     |
| 39  | Muhammad Rizqi Mustofa         | D3                 | energy conversion engineering department |
| 40  | Daniel Maruba Saragih Turnip   | D3                 | Teknik Elektronika                       |
| 41  | FAJRI                          | S1                 | Mechanical Engineering                   |
| 42  | AFRIGH SHABRIANAS              | D3                 | Mechanical Engineering                   |
| 43  | Yos Surya Dharma               | D3                 | ELECTRICAL ENGINEERING                   |
| 44  | DHANI DWI WARDANA              | D3                 | Teknik Mesin                             |
| 45  | Jefriko Wahyudi                | D3                 | Teknik Mesin                             |
| 46  | ENDIN HARYONO                  | D3                 | Mechanical Engineering                   |
| 47  | Muchammad Luthfi Azizin        | D3                 | Teknik Kelistrikan Kapal                 |
| 48  | Bagus Satrio Diharjo           | S1                 | Electronic Department                    |

|     |                                   |    |                                         |
|-----|-----------------------------------|----|-----------------------------------------|
| 49  | Rachmad Sandy                     | D3 | Teknik Mesin                            |
| 50  | Vincentius Andika Januar Septiadi | D3 | Teknik Listrik                          |
| 51  | Abdul Aziz Romadhona Mutaqin      | D4 | Teknik Elektro                          |
| 52  | Yudi Hari Prasetyo                | S1 | Teknik Mesin                            |
| 53  | Tendi Yuni Wiyadno                | D4 | Electrical Engineering                  |
| 54  | Henri Andrianto                   | S1 | Power Generation System                 |
| 55  | MOCHAMAD RACHMAD SOLEH ABDILAH    | S1 | Tenik Elektro                           |
| 56  | Moh. Swandi Noor                  | S1 | Mechanical Engineering                  |
| 57  | Rahmat Almalik                    | S1 | engineering                             |
| 58  | Wima Eka Gandara                  | D3 | TEKNIK KONVERSI ENERGI                  |
| 59  | Kendali Wongso Aji                | D3 | Teknik Kimia                            |
| 60  | Bian Febiyanto                    | S1 | Electrical Engineering                  |
| 61  | Rafsanjani                        | S1 | Teknik Elektro                          |
| 62  | Ryan Febrianto Hidayat            | D3 | Chemical Engineering                    |
| 63  | Donni Luky Pratama                | S1 | Electronics                             |
| 64  | IDA BAGUS AINUL YAQIN             | D3 | Teknik Mesin                            |
| 65  | DERRYAWAN ARYADI                  | D3 | TEKNIK KELISTRIKAN KAPAL                |
| 66  | Thomson Parulian                  | D4 | Teknik Perancangan dan Konstruksi Mesin |
| 67  | PARMAN                            | S1 | Mechanical Engineering                  |
| 68  | Setiama Fajar Rifa'i              | D3 | Elektro Industri Engineering            |
| 69  | Iyan Rodian                       | D3 | Teknik Listrik                          |
| 70  | Roseno Kusunanda                  | D3 | Mechanical Engineering                  |
| 71  | Teddy Wahyudi                     | D3 | Chemical Engineering                    |
| 72  | Yarek Agus Prabowo                | D3 | Teknik Elektro                          |
| 73  | ZAKY NUR MUHAMMAD                 | D4 | Electrical Power System                 |
| 74  | IFAN FITRIAWAN                    | D3 | Teknik Kimia                            |
| 75  | Muhammad Teguh Hidayat            | D3 | ELECTRICAL ENGINEERING                  |
| 76  | Alvi Lasmana Arianto              | D3 | Teknik Kimia                            |
| 77  | MUHAMMAD RIYAN HERIYANSYA H       | S1 | Chemical Engineering.                   |
| 78  | Rizal Fauzi                       | D3 | Electronics Engineering                 |
| 79  | Arditya Perdana Akbar             | D3 | Teknik Elektro Industri                 |
| 80  | Galan Eureka Rhamadana            | D3 | Teknik Instrumentasi Elektronika MIGAS  |
| 81  | Muhamad Fath Warganegara          | S1 | Teknik Kimia                            |
| 82  | Satria Nugraha                    | S1 | Electrical Engineering                  |
| 83  | Subarna                           | D3 | Mechanical Engineering                  |
| 84  | Fahmi Nur Faizin                  | D3 | TEKNIK KIMIA                            |
| 85  | Abdul Aziz                        | D3 | TEKNIK ELEKTRO                          |
| 86  | Muhamad Nugraha                   | D3 | Teknik Machine Energy conversion        |
| 87  | Agit Maratandi                    | D3 | Electronics Engineering                 |
| 88  | ADI SUZANTO                       | D3 | Teknik Mesin                            |
| 89  | Chitra Chandra Sakti              | D3 | Teknik Elektro                          |
| 90  | SUROTO                            | D3 | Teknik Instrumentasi Elektronika MIGAS  |
| 91  | Kurnia Chandra                    | D3 | Conversion Energy Engineering.          |
| 92  | Nikco Agung Prasetyo              | S1 | Teknik Elektro                          |
| 93  | Rofikhul Azka                     | D4 | Sistem Kelistrikan                      |
| 94  | Luthfi Agahanata M.               | D3 | Teknik Listrik                          |
| 95  | SEPTIAN DWI PRADISTA              | D3 | Teknik Mesin                            |
| 96  | Achmad Rafli Hartono              | D3 | Teknik Mesin                            |
| 97  | Ricky Dwi Nugraha                 | D3 | Teknik Instrumentasi Elektronika MIGAS  |
| 98  | Samsul Fuat                       | D3 | Teknik Kimia                            |
| 99  | Rizky Sahadewa                    | D3 | Teknik Kimia                            |
| 100 | Sanudin Nuralim                   | D3 | Mechanical Engineering                  |
| 101 | RYAN SYAHRANI                     | D3 | Teknik Kimia                            |
| 102 | Moch Rizky Saktya Irawan          | S1 | Electronic Engineering                  |
| 103 | Ahmad Hadi Setiawan               | S1 | Energy Conversion Engineering           |
| 104 | IZHAR MUH. RAMDAN P               | D3 | Teknik Konversi Energi.                 |
| 105 | Bibba Nur Aristya                 | D3 | Teknik Elektro                          |

|     |                               |    |                                     |
|-----|-------------------------------|----|-------------------------------------|
| 106 | Marten Perdana Naibaho        | D3 | Electronical Engineering            |
| 107 | Yubi Fatroh Harianto          | D3 | Teknik Elektro Industri             |
| 108 | DIMAS PRATAMA                 | D3 | Mechanical Engineering              |
| 109 | Khaerul Humam                 | S1 | Teknik Elektro                      |
| 110 | M. Arkani Hidayat             | D3 | Teknik Elektronika                  |
| 111 | Bakhtiar Prayogo Sudibyo      | D3 | Teknik Kelistrikan Kapal            |
| 112 | Sovian Feb Pradana            | D4 | Teknik Mesin                        |
| 113 | Aria Fahrudin                 | D4 | Teknik Mekatronika                  |
| 114 | Muchlis Hidayatulloh          | D3 | Mechanical Engineering              |
| 115 | Putro Adi Pamungkas           | D3 | Teknik Elektronika                  |
| 116 | Miftahul Jefri Angga          | D3 | Mechanical Engineering              |
| 117 | Rizaldy Wahyu Prayogi         | S1 | Electronics Engineering             |
| 118 | Krisnamada Habibi Hermawan    | D3 | Teknik Elektro                      |
| 119 | RACHMAD INDRA HERMAWAN        | S1 | Electronic Industry Engineering     |
| 120 | Rio Afrizal Sutansyah Siregar | D3 | Teknik Konversi Energi              |
| 121 | Novan Nurfajar Dany Saputro   | S1 | Mechanical Engineering              |
| 122 | Rega Mardian Putra            | D3 | Teknik Elektro                      |
| 123 | Rubiasmi Haryanto Pratomo     | D3 | Teknik Mesin                        |
| 124 | Heru Bayu Saputra             | D3 | Teknik Mesin                        |
| 125 | Wimbo Ghana Tirta             | D3 | Electronics Engineering             |
| 126 | Blummedien Rafzanjani.        | D3 | Chemical Engineering                |
| 127 | Vicky Maulana Halimy          | D3 | Teknik Elektronika                  |
| 128 | Mohamad Setiaji Erfan         | D3 | Teknik Kimia                        |
| 129 | SholikhudinAluwi              | D3 | Teknik Elektro                      |
| 130 | Vernando Oloan Pane           | D3 | Mechanical Engineering              |
| 131 | IRMANSYAH                     | D3 | Teknik Elektronika                  |
